

RECHARGE WITH A LIND **AUTO/AIR AC POWER ADAPTER**

POWER AND CHARGE LAPTOPS
AND PHONES SIMULTANEOUSLY
USING ANY POWER SOURCE.

ONE ADAPTER. ANY DEVICE. ANYWHERE.

Power your mobile devices anywhere you go with the new Lind Auto/Air AC Power Adapter. This unique all-in-one AC/DC/DC power adapter enables you to power your portable electronics wherever life takes you - at the office, on the road or in the air.

Now you can power your **notebook computer**, **mobile phone**, **MP3 player**, **portable printer** and other **USB devices** using a single power adapter.

- Power and charge laptops and phones simultaneously
- Use with any power source (wall outlets, automotive lighter sockets, in-seat adapters on airplanes)
- Eliminates the need for multiple, confusing tips
- Special safety circuitry protects sensitive devices
- Convenient nylon carrying case protects against wear and tear
